

Please note: We all have different ideas about what is funny. You may find some of these authors/comedians to your taste and some not to your taste. A few professional comedians use vulgar language. You may not agree with all of the political satire. Please feel free to give us feedback.

## Two more ways to enjoy audiobooks -

Borrow a Playaway, the all-in-one audiobook! Unlike CDs or downloads, Playaway does not need a

separate player. Instead, Playaway comes pre-loaded and ready to use with one audiobook per device - making them simple to use at home, on a walk, or in your car.

Download an audiobook from the library's digital collection with Libby! You can borrow it, instantly, for free, using the Libby app for phone or tablet.
