

Report of Giving in Support of the Jones Libraries

July 1, 2019 – June 30, 2020

The following individuals, organizations and corporations made gifts in support of the Jones Libraries during the last fiscal year. From the Jones' founding, such private support has allowed Amherst's libraries to meet more fully the unique needs of our distinctive community. Amherst is justifiably proud of its libraries and that is only possible because of that additional funding. This list gives us encouragement for its continuing revival.

We are most grateful to those who choose to honor others through a donation to Friends of the Jones. To read a complete list of donations made in memory or tribute of others, please view online at www.joneslibrary.org/tributegifts.
